

I think we can all agree that Spirit Guides are spiritual entities that offer some type of help, guidance and protection to humans on earth.

Spirit Guides come in many classifications:

The Ascended Masters are like us, but who have transcended the spiritual plane like Buddha, Jesus, Quan Yin, Saint Germain, Mother Mary, El Morya Melchizedek and others like them.

Star Beings are cosmic and galactic entities we may have known in the past.

Animal Spirit Guides are the totems or power animals that provide us with healing, guidance and support.

Nature Spirits or Elementals are mystical beings that embody the essence of the natural world. They are often associated with elements like earth, water, air, and fire, as well as Faeries, Devas, Elemental Beings, and Guardian Spirits.

Ancestral Guides are spirits that have passed over and come from our genetic and emotional lineage.

Angels or Angelic Spirit Guides are angels. There are several types of angels, *Guardian Angels* – Personal protectors assigned to each individual at birth. *Archangels* – Powerful beings like Michael (protection), Raphael (healing), and Gabriel (communication), who assist humanity on a larger scale. *Messenger Angels* – Spirits that deliver insights and inspiration through dreams, or ah-ha moments. *Healing Angels* – spiritual beings that help with emotional, physical, and spiritual healing. *Guidance Angels* who provide wisdom and direction, for a person's highest good.

These angel guides usually communicate through numbers, sequences, and symbols,
