

## **How You know You Are a Witch**

- 1) You can sense the energy around you. You tell if it's animal, human or cosmic.
- 2) You adore times when you can truly experience nature.
- 3) You are attracted to plants and the plant kingdom. You have a green thumb...or want one.
- 4) You are drawn to certain animals and have a genuine sense of their spirits.
- 5) You lean towards natural remedies for healing before seeking chemical means.
- 6) You like making and tasting natural foods.
- 7) Animals and children are naturally attracted to you.
- 8) You instinctively know and trust that there is an all-encompassing force of good present in everyone and everything.
- 9) You have a desire to pierce the veils and travel to other realms.
